

## AP WORLD HISTORY 10: “The Age of Guano”

**Task:** Below are 5 statements taken from the reading section, “The Age of Guano,” from the book 1493. Use specific information with as many details as possible from the reading to fully explain both CAUSES and EFFECTS

### CAUSE(S)

### STATEMENTS

### EFFECTS

Guano deposits on the Chincha islands reached as high as a 12 story building

The government of Peru began to subsidize (financially support) merchants who imported immigrants

## CAUSE(S)

## EFFECTS

### STATEMENTS

There was the existence of a virtual “guano cartel” by the British

The arrival of guano ships in Europe and in the United States marked an earlier Green Revolution (reference to an agricultural revolution that occurred in the 1960’s and 1970’s by applying science and technology to agriculture)

There was an actual Mid-19th century “diaspora” (great movement of people) of Chinese
