**Identify Groupings.** Identify the documents that you would group together and explain **WHY** the documents are grouped the way they are. Your rationale must be immediately understandable. Remember that the “rationale” statement will serve as the topic sentences for your body paragraphs and will be included in the introductory thesis paragraph. Also, include a bit of information from each document in the grouping to support your rationale. **For this assignment you will do TWO groupings that directly respond to and answer the question.**

**Grouping #1 Religious Response to Wealth Accumulation - Document #'s** \_\_\_\_\_

**Rationale** – Why are these documents grouped together? – How do they help answer the question and reflect religious response to wealth accumulation?

---

---

---

---

**What are some key pieces of information that you would use from the documents to support your rationale for the group? Identify by document number and give something specific.**
