

CHANGING LABOR CONDITIONS 1750-1914

SLAVERY

19TH CENTURY

INDENTURED SERVITUDE

What was “indentured servitude”? Features?

How did the Latin American “peonage” system reflect the system of indentured servitude?

How did “coolies” in the 19th century British Empire reflect the system of indentured servitude?

Where were 19th century indentured servants from? Where did they work?

ABOLITIONIST MOVEMENT

Great Britain/British Empire

- 1772—Slavery outlawed in Great Britain
- 1807—**Slave Trade Act**—abolishes trade but not slavery itself
- 1833—**Slavery Abolition Act**—slavery gone throughout empire

United States

- 1808—Slave trade prohibited as of 1808 as per U.S. Constitution
- 1863—**Emancipation Proclamation**
- 1865—**13th Amendment**—legally abolishes the institution

France

- 1794—slavery abolished in France and its colonies by the **National Convention** during the French Revolution—this was reinforced by the Constitution of 1795 (The Directory)
- 1802—Napoleon’s Constitution reinstated slavery
- 1804—**Haitian Independence**—slavery abolished in the Republic
- 1848—slavery abolished in France and throughout empire

Latin America

- Most of LA abolished slavery after the independence movements between 1810-1820’s except Brazil, Puerto Rico and Cuba
