

AIM: The Paris Peace Conference—Why would the Treaty of Versailles be a peace “built on a foundation of sand”?

Use textbook pages 800-804 to identify the main features of President Wilson’s Fourteen Points and the conditions of the Treaty of Versailles.

Features of the Fourteen Points

Conditions of the Treaty of Versailles

The Treaty of Versailles—signed between Germany and the Allied powers (June 28, 1919)

Ataturk and the Formation of Turkey

- Why was the Treaty of Sevres agreed to but not enforced?
- What role did Mustafa Kemal play in the founding modern Turkey?
- Identify the main features of Ataturk's rule that show evidence of his desire to create a modern and secular nation?

League of Nations

- Purpose?
- What were the two flaws in the League that limited effectiveness?
- Why did the concept of "collective security" never materialize?

Self determination

- Why was the creation of Yugoslavia considered a triumph of self-determination?

Mandate System

- What was the Mandate System?
- Why would the Mandate System be considered contradictory to the concept of self-determination?
 - Where was the Mandate System applied? Who benefitted?
