## **Islamic Civilization: Contributions to World Culture**

<u>TASK</u>: Carefully examine all 10 documents in the DBQ packet. As you analyze each one, break the information down into the categories below based on the DBQ question. Make sure in your examination of the documents you carefully read the "source" information for any relevant information that might be contained there.

| Islamic Achievements | WHY were contributions able to be made? | Impact on the World |
|----------------------|---|---------------------|
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
|                      |   |                     |
